CDFA Pennsylvania Financing Roundtable Launched
First Webcast to Take Place June 27

Columbus, OH – The Council of Development Finance Agencies (CDFA) is pleased to announce the launch of a new initiative: the **CDFA Pennsylvania Financing Roundtable**. The Roundtable is dedicated to developing a sustainable economic development finance industry for the commonwealth of Pennsylvania and will bring the development finance industry together through education, resource development and research.

The CDFA Pennsylvania Financing Roundtable is supported and endorsed by the Pennsylvania Department of Community & Economic Development.

“CDFA is very proud to announce the launch of this new state roundtable for the development finance community in Pennsylvania,” said Toby Rittner, President & CEO of CDFA. “Pennsylvania has been one of CDFA’s most active and supportive states during our thirty year history. Launching this Roundtable is a milestone achievement for both CDFA and the leadership in the commonwealth.”

To kick-off the Roundtable, CDFA will host a free, statewide webcast titled, “Unlocking the Development Finance Toolbox in Pennsylvania.” The webcast will be held on June 27 at 1:00pm Eastern, and will feature a panel of commonwealth and local experts from throughout Pennsylvania exploring the depths and potential for unlocking the development finance toolbox in the Keystone State. The webcast is free and open to all. Registration is available at www.cdfa.net.

The **Council of Development Finance Agencies** is a national association dedicated to the advancement of development finance concerns and interests. CDFA is comprised of the nation’s leading and most knowledgeable members of the development finance community representing public, private and non-profit entities alike.
