

Moody's Launches New Issuer Comment Report For Local Government Issuers

Moody's has launched a new research publication, the **Issuer Comment Report**. The **Issuer Comment Report** provides an assessment of the most recent credit information for most US local government issuers with outstanding Moody's general obligation and related ratings. The reports present a summary of key economic, demographic, financial and operating information within the context of Moody's ratings methodology and do not announce rating actions.

The Issuer Comment Reports will provide the bond market with updated credit information for US cities (including other municipalities such as towns and villages), counties and school districts, including for many issuers with no current or recently-published Moody's research. Many of these are small and infrequent debt issuers, but have ratings that Moody's reviews annually.

The new reports will also benefit issuers because they provide them with a single reference source for their Moody's general obligation (and related) ratings, annually updated research on their credit, and updated economic and demographic data used in Moody's local government general obligation methodology.

If you have any questions regarding this new research report, please contact either Chandra Ghosal at 212.553.1095 and chandra.ghosal@moodys.com or Brien Wigand at 212.553.0299 and brien.wigand@moodys.com.

For Japan only: Moody's Japan K.K. ("MJKK") is a wholly-owned credit rating agency subsidiary of Moody's Group Japan G.K., which is wholly-owned by Moody's Overseas Holdings Inc., a wholly-owned subsidiary of MCO. MJKK or MSFJ (as applicable) hereby disclose that most issuers of debt securities (including corporate and municipal bonds, debentures, notes and commercial paper) and preferred stock rated by MJKK or MSFJ (as applicable) have, prior to assignment of any rating, agreed to pay to MJKK or MSFJ (as applicable) for appraisal and rating services rendered by it fees ranging from JPY200,000 to approximately JPY350,000,000.
