

Economic Development Manager

Worthington, Ohio

City of Worthington, Ohio (population 14,228) Economic Development Manager. Salary \$70,000 to \$95,000 DOQ. Worthington is a suburb within the Columbus metropolitan area with highly rated schools, libraries, excellent city services and a high quality of life.

As a mature city, Worthington has a primary focus on redevelopment and reinvestment. The City is seeking an experienced and dynamic professional to promote the growth and development of the City's economic base, assist in the retention/expansion of existing businesses and bring new businesses to Worthington.

Candidates should enjoy working on the different facets of economic development at the local government level, with an ability to manage a significant volume of multi-faceted work. Candidates should have experience with a broad array of tools and activities to enhance economic development and the ability to establish effective contacts with developers, businesses, and real estate professionals.

Minimum qualifications include a Bachelor's Degree in urban planning, business or public administration, economics, marketing, finance or other related field and 5 years progressively responsible economic development experience, preferably with a municipality.
