(1) “Blighted areas” means areas that, by reason of deterioration, faulty planning, inadequate or improper facilities, deleterious land use or the existence of unsafe structures, or any combination of these factors, are detrimental to the safety, health or welfare of the community. A blighted area is characterized by the existence of one or more of the following conditions:

(a) The existence of buildings and structures, used or intended to be used for living, commercial, industrial or other purposes, or any combination of those uses, that are unfit or unsafe to occupy for those purposes because of any one or a combination of the following conditions:

(A) Defective design and quality of physical construction;

(B) Faulty interior arrangement and exterior spacing;

(C) Overcrowding and a high density of population;

(D) Inadequate provision for ventilation, light, sanitation, open spaces and recreation facilities; or

(E) Obsolescence, deterioration, dilapidation, mixed character or shifting of uses;

(b) An economic dislocation, deterioration or disuse of property resulting from faulty planning;

(c) The division or subdivision and sale of property or lots of irregular form and shape and inadequate size or dimensions for property usefulness and development;

(d) The laying out of property or lots in disregard of contours, drainage and other physical characteristics of the terrain and surrounding conditions;

(e) The existence of inadequate streets and other rights of way, open spaces and utilities;

(f) The existence of property or lots or other areas that are subject to inundation by water;

(g) A prevalence of depreciated values, impaired investments and social and economic maladjustments to such an extent that the capacity to pay taxes is reduced and tax receipts are inadequate for the cost of public services rendered;

(h) A growing or total lack of proper utilization of areas, resulting in a stagnant and unproductive condition of land potentially useful and valuable for contributing to the public health, safety and welfare; or

(i) A loss of population and reduction of proper utilization of the area, resulting in its further deterioration and added costs to the taxpayer for the creation of new public facilities and services elsewhere.

(2) “Certified statement” means the statement prepared and filed pursuant to ORS 457.430 or an amendment to the certified statement prepared and filed pursuant to ORS 457.430.

(3) “City” means any incorporated city.

(4) “Consolidated billing tax rate” means:

(a) If the urban renewal plan is an existing urban renewal plan (other than an existing urban renewal plan designated as an Option Three plan under ORS 457.435 (2)(c)) or an urban renewal plan adopted on or after October 6, 2001, the total of all district tax rates used to extend taxes after any adjustment to reflect tax offsets under ORS 310.105, but does not include any rate derived from:

(A) Any urban renewal special levy under ORS 457.435;

(B) A local option tax, as defined in ORS 280.040, that is approved by taxing district electors after October 6, 2001; or

(C) A tax pledged to repay exempt bonded indebtedness (other than exempt bonded indebtedness used to fund local government pension and disability plan obligations that, until funded by the exempt bonded indebtedness, were described in section 11 (5), Article XI of the Oregon Constitution), as defined in ORS 310.140, that is approved by taxing district electors after October 6, 2001; and

(b) In the case of all other urban renewal plans, the total of all district ad valorem property tax rates used to extend taxes after any adjustments to reflect tax offsets under ORS 310.105, except that “consolidated billing tax rate” does not include any urban renewal special levy rate under ORS 457.435.

(5)(a) “Existing urban renewal plan” means an urban renewal plan that provides for a division of ad valorem property taxes as described under ORS 457.420 to 457.460 adopted by ordinance before December 6, 1996, that:

(A) Except for an amendment made on account of ORS 457.190 (3) and subject to paragraph

(b) of this subsection, is not changed by substantial amendment, as described in ORS 457.085 (2)(i)(A) or (B), on or after December 6, 1996; and

(B) For tax years beginning on or after July 1, 1998, includes the limit on indebtedness as described in ORS 457.190 (3).

(b) If, on or after July 1, 1998, the maximum limit on indebtedness (adopted by ordinance before July 1, 1998, pursuant to ORS 457.190) of an existing urban renewal plan is changed by substantial amendment, then “indebtedness issued or incurred to carry out the existing urban renewal plan” for purposes of ORS 457.435 includes only the indebtedness within the indebtedness limit adopted by ordinance under ORS 457.190 (3)(c) before July 1, 1998.

[Amended by 1957 c.456 §1; 1969 c.225 §1; 1979 c.621 §10; 1991 c.67 §128; 1991 c.459 §330; 1997 c.541 §442; 1999 c.21 §76; 1999 c.579 §25; 2001 c.477 §1; 2003 c.621 §106]

Note: The amendments to 457.010 by section 106, chapter 621, Oregon Laws 2003, apply to tax years beginning on or after July 1, 2004. See section 106a, chapter 621, Oregon Laws 2003.

457.020 Declaration of necessity and purpose. It hereby is found and declared:

(1) That there exist within the state blighted areas.

(2) That such areas impair economic values and tax revenues.

(3) That such areas cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health, safety and welfare, fire and accident protection and other public services and facilities.

(4) That certain blighted areas may require acquisition and clearance since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation, but other areas or portions thereof may be susceptible of conservation or rehabilitation in such manner that the conditions and evils mentioned in subsections (1), (2) and (3) of this section may be eliminated, remedied or prevented and that such areas should, if possible, be conserved and rehabilitated through appropriate public action and the cooperation and voluntary action of the owners and tenants of property in such areas.

(5) That the acquisition, conservation, rehabilitation, redevelopment, clearance, replanning and preparation for rebuilding of these areas, and the prevention or the reduction of blight and its causes, are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern.

(6) That there are also certain areas where the condition of the title, the diverse ownership of the land to be assembled, the street or lot layouts or other conditions prevent a proper development of the land, and that it is in the public interest that such areas, as well as blighted areas, be acquired by eminent domain and made available for sound and wholesome development in accordance with a redevelopment or urban renewal plan, and that the exercise of the power of eminent domain and the financing of the acquisition and preparation of land by a public agency for such redevelopment or urban renewal is likewise a public use and purpose.

(7) That redevelopment and urban renewal activities will stimulate residential construction which is closely correlated with general economic activity; that undertakings authorized by this chapter will aid the production of better housing and more desirable neighborhood and

community development at lower costs and will make possible a more stable and larger volume of residential construction, which will assist materially in maintaining full employment.

(8) That the necessity in the public interest for this chapter is a matter of legislative determination. [Amended by 1957 c.456 §2; 1979 c.621 §11]

457.025 Powers supplemental to other laws. The powers conferred by this chapter are in addition and supplemental to the powers conferred by any other law. [Formerly 457.110]

457.030 [Amended by 1957 c.456 §18; repealed by 1979 c.621 §28]

457.035 Urban renewal agencies; creation; ordinance to exercise powers; jurisdiction.

(1) In each municipality, as defined in ORS 457.010, there hereby is created a public body corporate and politic to be known as the “urban renewal agency” of the municipality. However, the urban renewal agency shall not exercise its powers until or unless the governing body of the municipality, by nonemergency ordinance, declares that blighted areas exist in the municipality and that there is need for an urban renewal agency to function in the municipality and elects to have the powers of an urban renewal agency exercised in any of the three ways provided in ORS 457.045.

(2) An urban renewal agency, upon activation under subsection (1) of this section, shall have authority to exercise its powers within the same area of operation given a housing authority of the municipality under ORS 456.060. [Formerly 457.130]

457.040 [Repealed by 1979 c.621 §28]

457.045 Election of method of exercise of urban renewal agency’s powers. The governing body of a municipality shall, in the ordinance adopted under ORS 457.035, elect to have the powers of an urban renewal agency under this chapter exercised in one of the following ways:

(1) By a housing authority of the municipality established pursuant to the Housing Authorities Law in which case the name of the body corporate and politic shall be the “housing authority and urban renewal agency” of the municipality.

(2) By appointing a board or commission composed of not less than three members.

(3) By the governing body, itself, provided, however, that any act of the governing body acting as the urban renewal agency shall be, and shall be considered, the act of the urban renewal agency only and not of the governing body. [Formerly 457.140]

457.050 [Amended by 1953 c.230 §3; 1957 c.456 §19; repealed by 1979 c.621 §28]

457.055 Transfer of agency powers. At any time following adoption of the ordinance under ORS 457.035, or for urban renewal agencies activated before October 3, 1979, at any time following adoption of a proper resolution or ordinance of the governing body of the municipality, the governing body of a municipality may, by ordinance, transfer the authority to exercise the powers of the urban renewal agency to any other body authorized to exercise those powers under ORS 457.045. All duties and obligations of the urban renewal agency shall thereafter be assumed by the body to which those powers are transferred. [1979 c.621 §16]

(enacted in lieu of 457.145)]

457.060 [Repealed by 1979 c.621 §28]

457.065 Advisory board for housing authority acting as urban renewal agency. For the purpose of coordinating its activities and undertakings under this chapter with the needs and undertakings of other local organizations and groups, a housing authority exercising the powers of an urban renewal agency under ORS 457.045 shall establish an advisory board consisting of the chairperson of the authority, who shall be chairperson of the advisory board, and of sufficient members, to be appointed by the chairperson, to represent as far as practicable:

- (1) The general public and consumers of housing.
- (2) General business interests.
- (3) Real estate, building and home financing interests.
- (4) Labor.
- (5) Any official planning body in the locality.
- (6) Church and welfare groups. [Formerly 457.100]

457.070 [Repealed by 1979 c.621 §28]

457.075 Termination of urban renewal agency. If the governing body of a municipality which has an urban renewal agency under ORS 457.035 finds that there no longer exists a need for an urban renewal agency in the municipality, the governing body shall provide, by ordinance, for a termination of the agency and a transfer of the agency's facilities, files and personnel to the municipality. The termination of an urban renewal agency shall not affect any outstanding legal actions, contracts or obligations of the agency and the municipality shall be substituted for the agency and, for the purpose of those legal actions, contracts or obligations, shall be considered a continuation of the urban renewal agency and not a new entity. No urban renewal agency shall be terminated under this section unless all indebtedness to which a portion of taxes is irrevocably pledged for payment under ORS 457.420 to 457.460 is fully paid. [1979 c.621 §6; 1991 c.459 §331; 1997 c.541 §443]

(1) An urban renewal agency may borrow money and accept advances, loans, grants and any other form of financial assistance from the federal government, the state, county or other public body, or from any sources, public or private, for the purposes of undertaking and carrying out urban renewal projects.

(2) An urban renewal agency may do all things necessary or desirable to secure such financial aid, including obligating itself in any contract with the federal government for federal financial aid to convey to the federal government the project to which the contract relates upon the occurrence of a substantial default thereunder, in the same manner as a housing authority may do to secure such aid in connection with slum clearance and housing projects under the Housing Authorities Law.

(3)(a) Each urban renewal plan adopted by ordinance on or after July 14, 1997, that provides for a division of taxes pursuant to ORS 457.440 shall include in the plan the maximum amount of indebtedness that may be issued or incurred under the plan. Notwithstanding subsection (1) of this section, if a maximum amount of indebtedness is not included in the plan, the urban renewal agency may not issue indebtedness for which taxes divided under ORS 457.440 are to be pledged to carry out the plan.

(b) Each urban renewal plan adopted by ordinance on or after December 6, 1996, and before July 14, 1997, that provides for a division of taxes pursuant to ORS 457.440 but does not include a maximum amount of indebtedness that may be issued or incurred under the plan shall be changed, by substantial plan amendment pursuant to ORS 457.220, to include the maximum amount of indebtedness that may be issued or incurred under the plan before July 1, 2000. Notwithstanding subsection (1) of this section, if a maximum amount of indebtedness is not included in the plan on or before July 1, 2000, the urban renewal agency may not on or after July 1, 2000, issue indebtedness for which taxes divided under ORS 457.440 are to be pledged to carry out the plan.

(c)(A) Each existing urban renewal plan that provides for a division of taxes pursuant to ORS 457.420 to 457.460 may be changed by substantial amendment no later than July 1, 1998, to include a maximum amount of indebtedness that may be issued or incurred under the plan determined as described in subparagraph (B) of this paragraph. The additional notices required under ORS 457.120 are not required for an amendment adopted pursuant to this paragraph.

(B) The maximum amount of indebtedness that may be issued or incurred under the plan, as determined for purposes of meeting the requirements of this paragraph, shall be based upon good faith estimates of the scope and costs of projects, including but not limited to increases in costs due to reasonably anticipated inflation, in the existing urban renewal plan and the schedule for their completion as completion dates were anticipated as of December 5, 1996. The maximum amount of indebtedness shall be specified in dollars and cents.

(C) Notwithstanding subsection (1) of this section, if a maximum amount of indebtedness is not adopted for an existing urban renewal plan as described in this paragraph before July 1, 1998, the urban renewal agency may not collect funds under ORS 457.435. [1957 c.456 §14; 1991 c.459 §333; 1997 c.541 §446]

Note: Section 335e, chapter 459, Oregon Laws 1991, provides:

Sec. 335e. Bonded indebtedness if project agreed to prior to September 29, 1991.

Notwithstanding ORS 457.190, an urban renewal agency may issue bonded indebtedness to undertake an urban renewal project to carry out an urban renewal plan if, prior to September 29, 1991, a written contract or other written agreement for the project was made, the instrument setting forth the contract or agreement was executed and the parties were bound. The urban renewal agency of the municipality may use any of the money available to it from the issuance of the bonds for carrying out the project in accordance with the contract or agreement. [1991 c.459 §335e; 1997 c.541 §446a]

457.210 Applicability of housing cooperation law to urban renewal projects; delegation of powers and functions. (1) Any state public body, as defined in ORS 456.305, shall have the same rights and powers to cooperate with and assist urban renewal agencies with respect to urban renewal projects that such state public body has pursuant to ORS 456.305 to 456.325 to cooperate and assist housing authorities with respect to housing projects in the same manner as though those sections were applicable to urban renewal agencies and projects under this chapter.

(2) Any state public body, as defined in ORS 456.305, hereby is authorized to enter into agreements with any other public body, including an urban renewal agency, respecting action to be taken pursuant to any of the powers granted by this chapter, including, but not limited to, the furnishing of funds or other assistance in connection with an urban renewal plan or urban renewal project.

(3) An urban renewal agency hereby is authorized to delegate any of its powers or functions to the municipality or other state public body, as defined in ORS 456.305, with respect to the planning or undertaking of an urban renewal project in the area in which such municipality or other state public body is authorized to act. The municipality, or other state public body to which the powers or functions are delegated hereby is authorized to carry out or perform such powers or functions. [1957 c.456 §11]

457.220 Plan amendment; limit on additional land. (1) Except for the provisions of subsection (2) of this section, an urban renewal agency shall carry out the urban renewal plan approved under ORS 457.095.

(2) Any substantial change made in the urban renewal plan shall, before being carried out, be approved and recorded in the same manner as the original plan.

(3) No land equal to more than 20 percent of the total land area of the original plan shall be added to the urban renewal areas of a plan by amendments. [1957 c.456 §9; 1979 c.621 §20]

457.230 Disposition of land in urban renewal project; determination of value; obligations of purchaser or lessee; recordation. (1) The urban renewal agency shall, in accordance with the approved urban renewal plan, make land in an urban renewal project available for use by private enterprise or public agencies. Such land shall be made available at a value determined by the urban renewal agency to be its fair reuse value, which represents the value, whether expressed in terms of rental or capital price, at which the urban renewal agency in its discretion determines such land should be made available in order that it may be developed, redeveloped, cleared, conserved or rehabilitated for the purposes specified in such plan.

(2) To assure that land acquired in an urban renewal project is used in accordance with the urban renewal plan, an urban renewal agency, upon the sale or lease of such land, shall obligate purchasers or lessees:

(a) To use the land for the purposes designated in the urban renewal plan.

(b) To begin the building of their improvements within a period of time which the urban renewal agency fixes as reasonable.

(3) Any obligations by the purchaser shall be covenants and conditions running with the land where the urban renewal agency so stipulates.

(4) Any contract for the transfer of any interest in land by the urban renewal agency may be recorded in the land records of the county in which the land is situated in the same manner as any other contract for the transfer of an interest in land is recorded. [1957 c.456 §12; 1965 c.571 §1; 1967 c.312 §1]

457.240 Tax status of land leased under an urban renewal plan. Any property which the urban renewal agency leases to private persons as defined in ORS 174.100 under an urban renewal plan shall have the same tax status as if such leased property were owned by such private individuals or corporations. In addition to the other powers granted a municipality under this chapter, a municipality may exercise any of its powers otherwise provided by law to assist in the planning or the carrying out of an urban renewal plan. Without limiting the powers granted by the preceding sentence, a municipality may issue its general obligation bonds for the purpose of assisting in the planning or the carrying out of an urban renewal plan. The urban renewal agency of the municipality may assume payment of the general obligation bonds and may use any of the moneys available to it for that purpose. [1957 c.456 §17; 1979 c.621 §21]

457.410 [1961 c.554 §2; repealed by 1979 c.621 §28]

TAX INCREMENT FINANCING OF URBAN RENEWAL INDEBTEDNESS

457.420 Plan may provide for division of property taxes; limits on land area. (1) Any urban renewal plan may contain a provision that the ad valorem taxes, if any, levied by a taxing district in which all or a portion of an urban renewal area is located, shall be divided as provided in section 1c, Article IX of the Oregon Constitution, and ORS 457.420 to 457.460. Ad valorem taxes shall not be divided if there is no provision in the urban renewal plan for the division.

(2) No plan adopted after October 3, 1979, shall provide for a division of ad valorem taxes under subsection (1) of this section if:

(a) For municipalities having a population of more than 50,000, according to the latest state census:

(A) The assessed value for the urban renewal areas of the plan, when added to the total assessed value previously certified by the assessor for other urban renewal plans of the municipality for which a division of ad valorem taxes is provided exceeds a figure equal to 15 percent of the total assessed value of that municipality, exclusive of any increased assessed value for other urban renewal areas; or

(B) The urban renewal areas of the plan when added to the areas included in other urban renewal plans of the municipality providing for a division of ad valorem taxes, exceed a figure equal to 15 percent of the total land area of that municipality.

(b) For municipalities having a population of less than 50,000, according to the latest state census:

(A) The assessed value for the urban renewal areas of the plan, when added to the total assessed value previously certified by the assessor for other urban renewal plans of the municipality for which a division of ad valorem taxes is provided exceeds a figure equal to 25 percent of the total assessed value of that municipality, exclusive of any increased assessed value for other urban renewal areas; or

(B) The urban renewal areas of the plan, when added to the areas included in other urban renewal plans of the municipality providing for a division of ad valorem taxes, exceed a figure equal to 25 percent of the total land area of that municipality.

(3) Property may not be included in more than one urban renewal area. [1961 c.554 §3; 1969 c.539 §2; 1971 c.544 §4; 1979 c.621 §24; 1991 c.459 §334; 1997 c.541 §447]

457.430 Certification of assessed value of property in urban renewal area; amendment.

(1) As soon as practicable after the approval of a plan containing a provision authorized by ORS 457.420, the county assessor of each county in which an urban renewal area is located shall prepare, in duplicate, a certified statement of the total assessed value, as shown on the county assessment roll last certified prior to the effective date of the ordinance approving the plan, of all of the taxable real and personal property contained in the urban renewal area in the county.

(2) Wherever only a part of an urban renewal area is located in a taxing district, the assessor also shall show in the statement required by subsection (1) of this section the assessed value of the real and personal property in the part of the urban renewal area located in the taxing district.

(3) One copy of the certified statement shall be filed by the assessor with the agency and the other copy shall constitute a part of the public records of the county assessor's office.

(4) Whenever a part of an urban renewal area comes within the territory of a taxing district either by annexation, incorporation of a new taxing district or consolidation, after the approval of a plan containing a provision authorized by ORS 457.420, the county assessor shall in the same manner as under subsection (3) of this section file a certified statement or an amendment to a certified statement to show the assessed value of the real and personal property in that part of the urban renewal area incorporated by annexation or consolidation into the taxing district. The assessed value of the real and personal property so incorporated shall be determined in the same manner and as of the same date as provided in subsections (1) and (2) of this section.

(5) When a certified statement is filed as required by subsection (1) of this section, if the law provides a reduction or increase of the valuation for tax purposes of the taxable property contained in the urban renewal area at the time of the filing, the assessor shall state the total assessed value as it is so reduced or increased. After a certified statement has been filed as required by subsection (1) of this section, if a law is enacted which provides a reduction or increase of the valuation for tax purposes of the taxable property contained in the urban renewal area at the time the certified statement was filed, the assessor shall amend the certified statement annually or as otherwise required to reduce or increase the stated total assessed value of the real and personal property accordingly. An amendment to the certified statement shall be filed in the manner provided by subsections (3) and (4) of this section.

(6)(a) Subject to subsections (4) and (5) of this section and paragraph (b) of this subsection, all certified statements and amendments thereto filed under this section before July 14, 1997, shall continue to remain in effect.

(b) Effective as of the tax year beginning on July 1, 1997, the assessor shall amend the

amount of assessed value included in a certified statement by applying to the certified assessed value of each tax code area located within an urban renewal area the percentage obtained by dividing the total assessed value within the tax code area, including growth in assessed value over the certified assessed value, by the total real market value within the tax code area. [1961 c.554 §4; 1969 c.539 §3; 1979 c.621 §25; 1981 c.804 §105; 1983 s.s. c.5 §24; 1991 c.459 §335; 1997 c.541 §448]

457.435 Property tax collection methods for existing plans; special levies. (1) For each existing urban renewal plan that includes a provision for a division of ad valorem taxes under ORS 457.420 to 457.460, the municipality that activated the urban renewal agency that is carrying out the plan shall adopt an ordinance choosing one of the options listed in subsection (2) of this section as the method of collecting ad valorem property taxes sufficient to pay, when due, indebtedness issued or incurred to carry out the plan as permitted by section 11 (16), Article XI of the Oregon Constitution.

(2) The options referred to in subsection (1) of this section are as follows:

(a) Option One: To collect amounts sufficient to pay the obligations, as budgeted for the plan, from ORS 457.440, and if the amount estimated to be received from ORS 457.440 is not sufficient to meet the budgeted obligations of the plan for the tax or fiscal year, to make a special levy in the amount of the remainder upon all of the taxable property of the municipality that activated the urban renewal agency and upon all of the taxable property lying outside the municipality but included in an urban renewal area of the plan.

(b) Option Two: To make a special levy in the amount stated in the notice given under ORS 457.440 (2) upon all of the taxable property of the municipality that activated the urban renewal agency, and upon all of the taxable property lying outside the municipality but included in an urban renewal area of the plan.

(c) Option Three: To collect an amount equal to the amount stated in the ordinance adopted as provided in subsection (1) of this section by dividing the taxes pursuant to ORS 457.440, and to make a special levy upon all of the taxable property of the municipality that activated the urban renewal agency and upon all of the taxable property lying outside the municipality but within an urban renewal area of the plan. The county assessor shall adjust the amount of the total assessed value included in the certified statement filed under ORS 457.430 so that the amount collected by dividing the taxes pursuant to ORS 457.440 does not exceed the amount stated in the ordinance to be collected by dividing the taxes pursuant to ORS 457.440.

(3)(a) The total amount obtained under an option listed in subsection (2) of this section for any plan shall not exceed the maximum amount that could have been certified to the assessor for the plan under ORS 457.440 (1995 Edition) for the tax year beginning July 1, 1997.

(b) For each tax year beginning after the 1997-1998 tax year, the limitation of paragraph (a) of this subsection shall be adjusted by a percentage change equal to the percentage change in the increment within the urban renewal area from the preceding year.

(4)(a) The ordinance choosing the option referred to in subsection (1) of this section shall be adopted no later than July 1, 1998, and shall be applicable for tax years beginning on or after July 1, 1998. If not so adopted, the municipality shall be considered to have chosen Option One as its method of collection of ad valorem property taxes sufficient to pay, when due, indebtedness issued or incurred to carry out the existing urban renewal plan. An option, once chosen, may not be changed to another option. In addition, if Option Three is chosen, the amount specified in the ordinance choosing the option to be collected by dividing the taxes pursuant to

ORS 457.440 shall not be changed by subsequent ordinance or amendment to the certified statement.

(b) The option chosen, together with the particulars of the option, including but not limited to any limit on the amount to be received from ORS 457.440, shall be reflected in the notice filed by the urban renewal agency with the county assessor.

(5)(a) The county assessor, or county assessors if the taxable property is in more than one county, shall extend the special levy against all of the taxable property of the municipality that activated the urban renewal agency and all of the taxable property lying outside the municipality but included in an urban renewal area of the plan.

(b) Any amounts collected from special levies made under this section shall be paid into the special fund or funds of the urban renewal agency referred to in ORS 457.440 (6) and shall be used to pay the principal and interest to finance or refinance the existing urban renewal plan or plans of the urban renewal agency.

(6) This section applies to existing urban renewal plans with respect to principal and interest on indebtedness until the indebtedness is fully paid or it is found that deposits in the special fund are sufficient to pay the principal and interest on the indebtedness issued or incurred under the existing urban renewal plan.

(7) Nothing in this section shall prevent the funding of urban renewal indebtedness as provided under ORS 457.440. [1997 c.541 §454; 1999 c.579 §32]

457.437 Consultation with municipalities; resolution requirements. (1) Prior to the establishment of a maximum amount of indebtedness for an urban renewal plan under ORS 457.190 and before an option is adopted under ORS 457.435, the urban renewal agency that is carrying out the plan shall meet with the governing bodies of the municipality that activated the urban renewal agency and other municipalities affected by the urban renewal plan and review the proposed maximum amount of indebtedness for the plan and the agency's recommended option under ORS 457.435.

(2) After the meeting described in subsection (1) of this section, the governing bodies shall adopt resolutions in support of or opposition to the recommended option under ORS 457.435.

(3) If an affected municipality adopts a resolution in opposition to the recommended option, then the agency's recommendations may be adopted only by the adoption of a separate resolution by the municipality that activated the urban renewal agency. [1997 c.541 §454a]

457.440 Computation of amounts to be raised from property taxes; notice; rules. During the period specified under ORS 457.450:

(1) The county assessor shall determine the amount of funds to be raised each year for urban renewal within the county levied by taxing districts in accordance with section 1c, Article IX of the Oregon Constitution, and ORS 457.420 to 457.460.

(2) Not later than July 15 of each tax year, each urban renewal agency shall determine and file with the county assessor a notice stating the amount of funds to be raised for each urban renewal area as follows:

(a) If the municipality that activated the urban renewal agency has chosen Option One as provided in ORS 457.435 (2)(a), the notice shall state that the maximum amount of funds that may be raised by dividing the taxes under section 1c, Article IX of the Oregon Constitution, shall be raised for the agency.

(b) If the municipality that activated the urban renewal agency has chosen Option Two as

provided in ORS 457.435 (2)(b), the notice shall state the amount of funds to be raised by the special levy.

(c) If the municipality that activated the urban renewal agency has chosen Option Three as provided in ORS 457.435 (2)(c), the notice shall state the amount of funds to be raised by special levy in addition to the amount to be raised by dividing the taxes as stated in the ordinance adopted under ORS 457.435 (1).

(d) If the plan is not an existing plan, the notice shall state that the maximum amount of funds that may be raised by dividing the taxes under section 1c, Article IX of the Oregon Constitution, shall be raised for the agency.

(3) If a municipality has chosen Option Three pursuant to ORS 457.435, the maximum amount of funds that may be raised for an urban renewal agency by dividing the taxes as provided in section 1c, Article IX of the Oregon Constitution, may be limited by the municipality in which the urban renewal agency is located. The decision of the municipality to limit the amount of funds to be included in the notice filed under subsection (2) of this section shall be reflected in the certified statement filed by the urban renewal agency with the county assessor.

(4) Not later than September 25 of each tax year, the assessor of any county in which a joint district is located shall provide, to the assessor of each other county in which the joint district is located, the assessed values of the property in the joint district that is located within the county, including the certified statement value and the increment for each code area containing any urban renewal area located within the joint district, and a copy of the notice filed by the urban renewal agency for the area located within the joint district under subsection (2) of this section.

(5) The maximum amount of funds that may be raised for an urban renewal plan by dividing the taxes as provided in section 1c, Article IX of the Oregon Constitution, shall be computed by the county assessor as follows:

(a) The county assessor shall compute the total consolidated billing tax rate for each code area in which an urban renewal area of the plan is located.

(b) The assessor shall determine the amount of taxes that would be produced by extending the tax rate computed under paragraph (a) of this subsection against the increment of each code area.

(c) The total amount determined for all code areas containing urban renewal areas included within the urban renewal plan is the maximum amount of funds to be raised for the urban renewal plan by dividing the taxes.

(6)(a) The maximum amount of funds that may be raised for an urban renewal agency as determined under subsection (5) of this section, or the maximum amount, as determined under subsection (2) of this section, shall be certified by the county assessor to the tax collector. The tax collector shall include the amount so certified in the percentage schedule of the ratio of taxes on property prepared under ORS 311.390 and filed with the county treasurer. Notwithstanding ORS 311.395 (6), the county treasurer shall credit the amount to the urban renewal agency and shall distribute its percentage amount to the urban renewal agency as determined by the schedule at the times other distributions are made under ORS 311.395 (7).

(b) The county assessor shall notify the urban renewal agency of the amounts received under subsection (5) of this section or amounts received pursuant to the notice provided in subsection (2) of this section for each urban renewal plan area. Any amounts received by the urban renewal agency under paragraph (a) of this subsection shall be attributed to the urban renewal plan in which the urban renewal area is included, shall be paid into a special fund of the urban renewal agency for the urban renewal plan and shall be used to pay the principal and interest on any

indebtedness issued or incurred by the urban renewal agency to finance or refinance the urban renewal plan.

(7) Unless and until the total assessed value of the taxable property in an urban renewal area exceeds the total assessed value specified in the certified statement, all of the ad valorem taxes levied and collected upon the taxable property in the urban renewal area shall be paid into the funds of the respective taxing districts.

(8) The agency may incur indebtedness, including obtaining loans and advances in carrying out the urban renewal plan, and the portion of taxes received under this section may be irrevocably pledged for the payment of principal of and interest on the indebtedness.

(9) The Department of Revenue shall by rule establish procedures for giving notice of amounts to be raised for urban renewal agencies and for determination of amounts to be raised and distributed to urban renewal agencies.

(10) The notice required under this section shall serve as the notice required under ORS 310.060 for the special levy described under ORS 457.435. (2) Not later than July 15 of each tax year, each urban renewal agency shall determine and file with the county assessor a notice stating the amount of funds to be raised for each urban renewal area as follows:

(3) If a municipality has chosen Option Three pursuant to ORS 457.435, the maximum amount of funds that may be raised for an urban renewal agency by dividing the taxes as provided in section 1c, Article IX of the Oregon Constitution, may be limited by the municipality in which the urban renewal agency is located. The decision of the municipality to limit the amount of funds to be included in the notice filed under subsection (2) of this section shall be reflected in the certified statement filed by the urban renewal agency with the county assessor.

(4) Not later than September 25 of each tax year, the assessor of any county in which a joint district is located shall provide, to the assessor of each other county in which the joint district is located, the assessed values of the property in the joint district that is located within the county, including the certified statement value and the increment for each code area containing any urban renewal area located within the joint district, and a copy of the notice filed by the urban renewal agency for the area located within the joint district under subsection (2) of this section.

(c) The total amount determined for all code areas containing urban renewal areas included within the urban renewal plan is the maximum amount of funds to be raised for the urban renewal plan by dividing the taxes.
