

2013 CDFA Georgia Financing Roundtable Conference Sponsorship Opportunities

In its first year, the **CDFA Georgia Financing Roundtable** is excited to explore important issues in Georgia while collecting resources and building the state's development finance network. Issuing authorities, economic developers, and financing agencies will be given the opportunity to hear and share critical and timely perspectives on economic development finance in The Peach State. For 2013, CDFA sponsor benefits offer your firm the opportunity to support all of the Roundtables activities, including the annual **CDFA Georgia Financing Roundtable Conference**. This is your best opportunity to promote your firm to the state's development finance professionals and to support CDFA's continued efforts to build this initiative in Georgia.
