

## 2015 Missouri Financing Roundtable Conference Sponsorship Opportunities

In its first year, the **CDFA Missouri Financing Roundtable**, in partnership with MEDFA, is excited to explore important issues in Missouri while collecting resources and building the state's development finance network. Combining forces with and fully supported by MEDFA, the Roundtable will give the opportunity to issuing authorities, economic developers, and financing agencies to hear and share critical and timely perspectives on economic development finance in The Show Me State. For 2015, CDFA sponsor benefits offer your firm the opportunity to support all of the Roundtables activities, including the annual **CDFA Missouri Financing Roundtable Conference**. This is your best opportunity to promote your firm to the state's development finance professionals and to support CDFA's continued efforts to build this initiative in Missouri. Sponsorship levels are designed to fit every budget, and can be customized to meet specific needs.
