

## 2015 Colorado Financing Roundtable Conference Sponsorship Opportunities

In its first year, the **CDFA Colorado Financing Roundtable**, in partnership with CHFA and EDCC and endorsed by OEDIT, is excited to explore important issues in Colorado while collecting resources and building the state's development finance network. Issuing authorities, economic developers, and financing agencies will be given the opportunity to hear and share critical and timely perspectives on economic development finance in The Centennial State. For 2015, CDFA sponsor benefits offer your firm the opportunity to support all of the Roundtables activities, including the annual **CDFA Colorado Financing Roundtable Conference**. This is your best opportunity to promote your firm to the state's development finance professionals and to support CDFA's continued efforts to build this initiative in Colorado. Sponsorship levels are designed to fit every budget, and can be customized to meet specific needs.
