

The President/CEO reports to the Renew Moline, Inc. Board of Directors and provides expert assistance in planning, coordinating and facilitating transformational, placemaking economic development programs and projects in Moline. The President/CEO is responsible for assisting with the development and negotiation of contracts for projects undertaken by Renew Moline, Inc. with the City of Moline. Work also includes recommending and overseeing legal, consultant and other professional service agreements to complete this work.

The President/CEO will direct and coordinate economic development efforts for development or redevelopment projects. The President/CEO will build relationships internal and external to Moline and the region in order to connect people and resources to facilitate project development. The President/CEO will interact with local, state and federal elected officials and their staff.

Salary will be commensurate with experience and abilities.
