

LEARN ABOUT EPA'S NEWEST WATER INFRASTRUCTURE FINANCING OPPORTUNITY, *LOW-COST, LONG-TERM WIFIA LOANS!*

Join EPA to learn more about the WIFIA program.

- Overview of the program, including current status, eligibility, statutory requirements, and anticipated schedule
- The financial benefits of WIFIA loans
- Tips for completing WIFIA application materials

Intended Audience:

- Prospective borrowers including municipal entities, corporations, partnerships, and State Revolving Fund programs
- Private and non-governmental organizations that support prospective borrowers

If you are unable to attend in-person, EPA will host a webinar series covering the same topics on December 6, 13, and 20. Register at:
<https://www.epa.gov/wifia/learn-about-wifia-program#information>
