Executive Director - Job Posting

Entrepreneurial minded, finance/economic development executive is needed to lead the Scottsdale Industrial Development Authority ("SIDA"), in concert with its board of directors. This is a new position, and will lead the overall growth of the Scottsdale IDA with the strategic guidance and support of the Board members. The ideal candidate will have the following background and skill sets:

- bachelor's and/or master's degree in finance, business administration or relevant major
- understanding of tax exempt financing (Arizona experience a plus)
- demonstrated leadership skills in business development and project management
- familiarity with Arizona's economic development and business environment
- Able to envision emerging markets, develop creative financing opportunities, and explore innovative business opportunities
- able to interact with high level corporate executives, city management and City Council members
- self-starter and goal/results oriented
- experience with social media and internet outreach/networking and marketing

SIDA is financially stable with a new vision for its contributions and role in the economic development and tax-exempt financing arenas. Come join us – make a difference! Email a letter of interest describing how your leadership at SIDA will contribute to our success and include compensation goals (salary and incentive) to:
