

## 2017 NCOSAFP Sponsorship Opportunities

The National Council of State Agricultural Finance Programs is an association of public and private agricultural financing entities working passionately for the promotion and financing of agricultural development. Our mission is to facilitate communication and education for our members and represent the interests of agriculture in developing legislation, regulation, and other issues affecting public agricultural finance in cooperation with private industry.

Sponsorship gives you the unique opportunity to support NCOSAFP and at the same time promote your organization to the industry. To learn more about all the opportunities or to create a customized sponsorship package, contact us today.
