INTRODUCTION

CDF/FUND MISSION1

The Community Development Financial Institutions Fund's (the Fund) mission is to increase the capacity of financial institutions to provide credit, capital and financial services to underserved markets. The Fund achieves this mission by directly investing and supporting *Community Development Financial Institutions (CDFIs), Community Development Entities (CDEs)* and other financial institutions through four programs: 1) the CDFI Program; 2) the Bank Enterprise Award Program; 3) the Native American CDFI Assistance Program; and (4) the New Markets Tax Credit Program.

NEW MARKETS TAX CREDIT PROGRAM

Under the New Markets Tax Credit (NMTC) Program, taxpayers may claim a credit against Federal income taxes for *Qualified Equity Investments* made to acquire stock or other capital interests in designated *CDEs*. Substantially all of the *Qualified Equity Investments* must be used by the *CDE* to, among other things, make loans to, or equity investments in, qualified businesses or *CDEs* operating in *Low-Income Communities* (LICs). The investor (either the original purchaser or a subsequent holder) receives a tax credit for a seven-year period equal to five percent of the total amount paid for the stock or capital interest, at the time of purchase, for each of the first three years, and six percent annually for the remaining four years.

APPLYING FOR NMTC ALLOCATIONS

The Fund allocates NMTC authority to both for-profit and non-profit *CDEs* through a competitive application process pursuant to a *Notice of Allocation Availability (NOAA)* published in the <u>Federal Register</u>. *NMTC Allocation Application* materials and guidance are available from the Fund's website at www.cdfifund.gov. For-profit *CDE NMTC Allocation* awardees can provide their investors the tax credit in exchange for stock or capital interests. A Non-profit *CDE NMTC Allocation* awardee must demonstrate to the Fund, prior to receiving an *Allocation Agreement*, that:

1) it controls one or more for-profit *Subsidiary CDE(s)*; and
2) it intends to transfer the entire *NMTC Allocation* to its for-profit *Subsidiary CDE(s)*.

For-profit and non-profit entities that do not apply to the Fund for *NMTC Allocations* may obtain *CDE* certification in order to receive *Qualified Low-Income Community Investments* from a for-profit *CDE NMTC Allocation* recipient.

An entity seeking *CDE* certification must submit a *CDE Certification Application* to the Fund as directed herein. To qualify as a *CDE* an *Applicant CDE* must at the time of application submission:

- Be a legally established entity and a domestic corporation or partnership for Federal tax purposes;
- Have a primary mission of serving or providing investment capital to LICs or Low-Income Persons; and
- Establish accountability to *LICs* through representation on it's governing or advisory board.

Through this *CDE Certification Application*, an entity may apply for certification solely on its own behalf, or on behalf of itself <u>and</u> one or more *Subsidiary Applicants*, provided that each applicant entity is legally established at the time of application. Each entity and subsidiary entity seeking *CDE* certification <u>must</u> have a valid Employer Identification Number (EIN) at the time the *CDE Certification Application* is submitted.

NOTE: *CDFIs* and *Specialized Small Business Investment Companies* (SSBICs) seeking *CDE* certification automatically qualify as *CDEs* and <u>do not</u> need to complete this Certification Application. Such entities should register electronically for *CDE* certification on the Fund's website at www.cdfifund.gov.

NOTE: Subsidiaries and Affiliates of certified CDEs, CDFIs, and SSBICs do not automatically qualify as CDEs. The parent CDE must submit this CDE Certification Application to have its Subsidiary entities certified as CDEs.

MAINTAINING CDE CERTIFICATION

Each CDE NMTC Allocation awardee, as well as CDEs that are recipients of Qualified Low-Income Community Investments (QLICIs) from other CDEs, may be required to annually certify to the Fund that it continues to meet the Primary Mission and Accountability requirements by providing the information below. The Fund may revoke a CDE's certification if it fails to provide the requested information.

- Information indicating that the entity remains accountable to the *LIC(s)* it is serving; and
- A certification statement certifying that no material changes have occurred to affect their current status as a CDE.

APPLYING FOR CDE CERTIFICATION

¹ Terms in *Capitalized Italics* are defined in the Glossary of Terms available on the Fund's website: www.cdfifund.gov.

APPLICATION COMPLETION OVERVIEW

Reminder: Each *Applicant CDE* and each *Subsidiary Applicant* must have its own valid Employer Identification Number (EIN) prior to submission of the Certification Application. For more guidance on obtaining an EIN, refer to the Fund's *CDE* Certification Q&A Document.

Reminder: Certified *CDFIs* and *SSBICs* automatically qualify as a *CDE(s)* and may register to become *CDEs* on-line via the Fund's *CDE* Certification page located at www.cdfifund.gov.

² An Applicant CDE that is already a certified CDE does not need to provide this information.

CDE CERTIFICATION CRITERIA – PRIMARY MISSION

REQUIREMENTS

A *CDE* must demonstrate that it has a primary mission of serving, or providing investment capital for *LICs* or *Low-Income Persons*, and that at least 60 percent of its activities (e.g., loans and investments) are targeted to *Low-Income Persons* or *LICs*.

An Applicant CDE may meet the primary mission requirement by demonstrating that its signed, board-approved incorporating documents, bylaws, annual reports or other organizational documents evidence a mission of principally servicing Low-Income Persons or LICs. A low-income mission statement should include reference to Low-Income Persons or LICs. In the case of an Applicant CDE that is an Insured Depository Institution or Insured Credit Union, designation by a regulatory agency as a Low-Income Designated Credit Union or other community development institution is an indication of having such a mission.

An *Applicant CDE* must also demonstrate that, at a minimum, 60 percent of its products and services are directed to (or will be directed to) *Low-Income Persons*, to individuals, businesses or organizations that serve *Low-Income Persons* or to residents of *LICs*. The following are a few examples of such activities:

- Investing in, lending to or providing technical assistance to businesses that are located in LICs and/or are owned by Low-Income Persons;
- Lending to Low-Income Persons or residents of LICs;
- Investing in or providing loans to support commercial properties that are located in LICs; or
- Investing in, lending to or providing technical assistance to organizations (e.g., CDEs or CDFIs) engaged in activities that promote community development in LICs or for the benefit of Low-Income Persons.

DOCUMENTATION ATTACHMENTS

- Organizational documents from the Applicant CDE that evidence a primary mission of serving LICs or Low-Income Persons.³ Such documentation includes, but is not limited to:
 - signed or filed articles of incorporation or organization;
 - signed partnership agreement;
 - board resolution;
 - annual report <u>with</u> a letter from the Board Chairperson;
 - or similar <u>board approved</u> documents.

The Fund <u>will not</u> accept pamphlets, brochures or other marketing materials to document primary mission.

It is not necessary to submit multiple documentation pieces. Submit the minimum necessary to demonstrate that your organization principally serves *LICs* or *Low-Income Persons*.

- If a Subsidiary Applicant is seeking designation as a CDE under this application, the Applicant CDE must:
 - Submit separate organizational documents demonstrating the primary mission for each entity seeking CDE certification; or
 - Sign and submit Form CDE 1-B, the Subsidiary Applicant Primary Mission Certification.

All Applicant CDEs are required to complete Form CDE-4, the Authorized Representative Certification, which demonstrates an organization's commitment to provide at least sixty percent of its products and services (and sixty percent of the products and services of all Subsidiary Applicants) to Low-Income Persons, to individuals, businesses or organizations located in LICs, and/or to organizations that principally serve Low-Income Persons or LICs. It also ensures that the Applicant CDE and each of its Subsidiary Applicants will continue to maintain accountability to residents of LICs at all times during the course of its/their designation as a CDE. Failure to meet these requirements may, at the sole discretion of the Fund, result in the Fund's revocation of the organization's CDE status.

³ An Applicant CDE that is already a certified CDE does not need to provide this information.

CDE CERTIFICATION CRITERIA – ACCOUNTABILITY

REQUIREMENTS

Each entity seeking *CDE* certification under this application must: 1) identify the service area that it serves or intends to serve; and 2) demonstrate that it maintains accountability to the *LICs* in those areas.

<u>Identifying Service Areas.</u> The *Applicant CDE* and each <u>Subsidiary Applicant</u> must identify the service areas that it serves or intends to serve. Each entity will be required to select from one of the following service area options:

- Local service area(s). A local service area may be comprised of:
 - a single county within a state;
 - a single (Primary) Metropolitan Statistical Area (P)MSA); or
 - multiple counties or (P)MSAs within the same state (ie. multiple local service areas).

Tip: Entities serving or intending to serve multiple communities within a single local service area (e.g., several neighborhoods within a single city, or several cities within a single *PMSA*) are encouraged to designate the larger encompassing jurisdiction as its local service area.

- Statewide (or territory-wide) service area.
- Multi-state service area.
- National Service Area.

<u>Designating a Service Area.</u> Applicant CDEs needing to identify qualifying *LICs* in their service area should visit the Fund's geography and census tract based mapping software (CIMS) program located at www.cdfifund.gov. The online mapping software program contains maps and worksheets identifying the program's qualifying census tracts throughout the country.

Maintaining Accountability. An applicant must demonstrate that it is accountable to the residents of *LICs* in the service area that it designates. An applicant will be determined accountable if at least 20% of its governing board or advisory board(s) is representative of *LICs* within the selected service area. In order to be determined representative under this accountability requirement, a board member must either: (a) reside in a *LIC* within its designated service area(s); or (b) otherwise represent the interest of residents of *LICs* (e.g., a small business owner whose business is located in the community, an employee or a board officer of a community-based or charitable organization serving the community, etc.) in the selected service area. The Fund encourages *Applicant CDEs* to

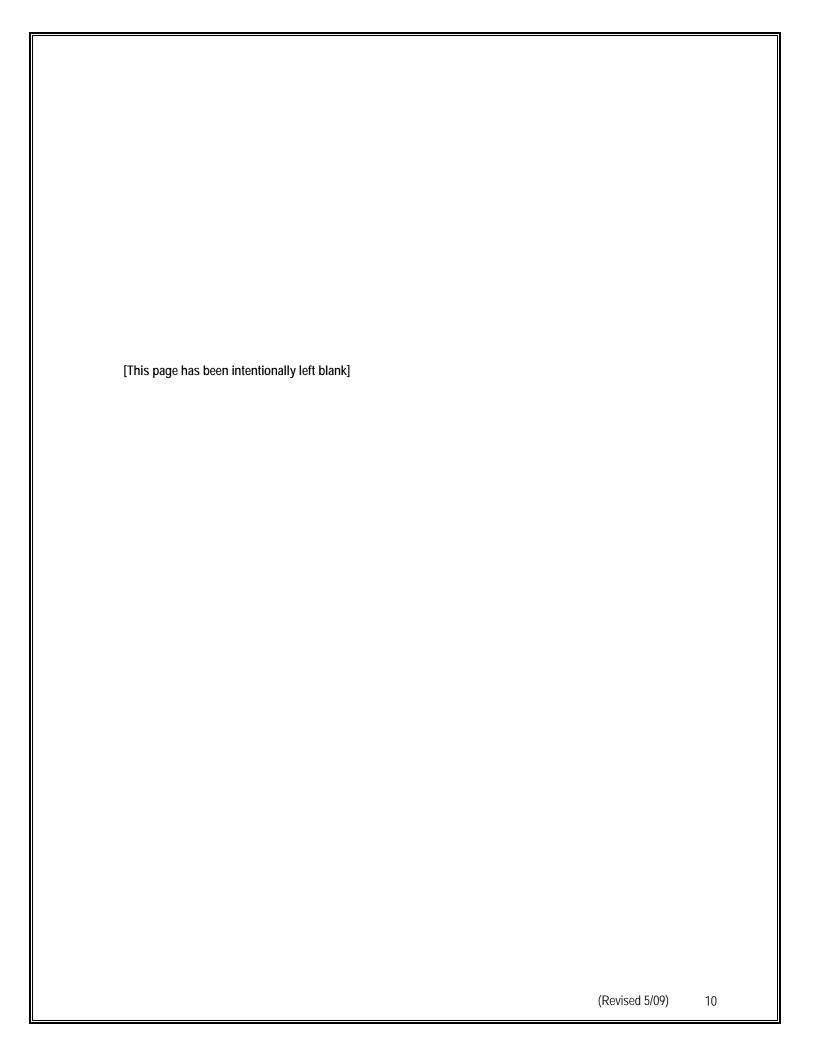

appoint some *Low-Income Persons* from *LICs* to their advisory and/or governing boards.

TIP: Board members that are themselves, or whose family members are, principals or staff members of the *Applicant CDE* (or *Subsidiary Applicant*), its affiliated entities or, except in limited circumstances, its investors cannot be deemed representative of *LICs*. An *Applicant CDE* (or *Subsidiary Applicant*) may, however, designate a board member that also serves on the board of an affiliated entity as representative of *LICs*, provided that the board member is representative of *LICs* through means other than his or her association with the affiliated entity.

An entity that does not have a governing board, but in which the governing authority resides with a general partner or managing company, may satisfy the accountability requirements through the board(s) of the general partner or managing company. Any entity seeking to maintain accountability through advisory board(s) must also be able to demonstrate that the viewpoints of the advisory board(s) are given sufficient consideration and attention by the governing board.

To maintain accountability to the *LICs* in a statewide service area, a multi-state service area, , or a national service area, the applicant must demonstrate that at least 20% of its governing board or advisory board(s) is representative of a cross-section of *LICs* within the state(s) that it serves. An entity may need to establish multiple advisory boards in order to satisfy this requirement, or select board members that are from organizations that represent the interests of a cross-section of *LICs* (e.g., a state-wide organization or nationwide non-profit community development organization).

Tip: For additional updated guidance on Accountability please review the CDE Certification Q&A Document on The Fund's website www.cdfifund.gov under New Markets.
