Price Finley Presented Prestigious CDFA Lifetime Achievement Award

—Distinguished Development Finance Career Recognized—

Columbus, OH — The Council of Development Finance Agencies (CDFA) is proud to announce the recipient of the **2023 CDFA Lifetime Achievement Award**, Price Finley, Partner at Bricker Graydon LLP. This year's winners will be formally awarded during a special ceremony at the 2023 CDFA National Development Finance Summit in Philadelphia, PA, on November 9.

The CDFA Lifetime Achievement Award is given to individuals who have made outstanding contributions to the development finance industry throughout their professional careers. Winners have made innovative and lasting contributions that have greatly impacted how development finance programs are operated, managed, and administered. This award honors those individuals and their significant legislative contributions to advancing new development finance tools, strategies, and approaches.

"Price has been active in CDFA for many years. He has been an excellent leader in the development finance industry and continues to make an impact today," states Toby Rittner, DFCP and President & CEO of CDFA.

Price Finley has been practicing law at **Bricker Graydon LLP** for over 30 years focused on public finance. Price has experience in all areas of public finance, including local government, economic development finance, port authority financings, and other structured and project financings. He has substantial experience in the use of various economic development tools, including frequent use of tax increment finance. Price's practice includes assisting local governments and developers in negotiating and documenting development agreements for infrastructure finance and tax incentive arrangements, including community reinvestment areas, enterprise zones, and job creation tax credits.

Price has also created joint economic development districts and zones, and special improvement districts, and represented port authorities across Ohio. Price is a member of the Council of Development Finance Agencies Board of Directors, the Ohio Economic Development Association, and the National Association of Bond Lawyers. He received his undergraduate degree from Capital University and his JD/MBA from The Ohio State University.

The **Council of Development Finance Agencies** is a national association dedicated to the advancement of development finance concerns and interests. CDFA is comprised of the nation's leading and most knowledgeable members of the development finance community representing public, private, and non-profit entities alike.
