Procedure for Submission and Modification of Redevelopment Applications

1. Standard Forms: Requests for redevelopment approval (proposed redevelopment plan, response to request for proposals for designation as redeveloper, or other TIF Commission approval, collectively “Application”) shall be made pursuant to the forms available in the Redeveloper’s Packet. The TIF Commission may promulgate submittal requirements, instructions for completing applications and other forms, internal procedures for acceptance and filing of applications, and provisions for waiver, by establishing administrative guidelines. Additional information may be required for particular applications at the discretion of the responsible TIF Commission official.

2. Submission of Complete Application. All Applications shall be submitted to the Executive Director (“Director”) or the Director’s representative for a determination of completeness.
 - A. Applications will be considered complete when all items required by the TIF Commission Statute, the Redeveloper’s Packet, and other applicable TIF Commission regulations have been submitted by the Applicant to the Director.

 - B. An Application shall be deemed incomplete if any relevant information is not provided, if the Redeveloper’s Affidavit is not signed by the applicant, or if other information, as may be specified by the Director and which is necessary to adequately review the Application, is not supplied with the Application to the Director.

 - C. Written notice of an incomplete Application, specifying the deficiencies, shall be provided to the Applicant. The Director shall take no further action on the incomplete Application.

 - D. Complete Applications shall be processed according to TIF Commission Procedures for Consideration of Development Proposals. The Director shall not schedule an Application for hearing until such Application has been determined to be complete.

The Director may extend his time period or a reasonable period of time, not to exceed 10 calendar days, by notifying the Applicant. Such notification shall include the reason for extension, the additional period of time needed for review, and the purpose for which the Application review will be conducted.

- F. If the Director fails to act within the specified time period, the Applicant may request that the Application be placed on the agenda of the next regularly scheduled TIF Commission public meeting.
 - G. Whenever the TIF Commission statute, procedures or regulations establish a time period from action regarding an Application, such time period shall not commence until the Director has made a determination of completeness regarding the Application.
 - H. A determination by the Director that an Application is incomplete may be appealed to the TIF Commission.
 - I. A determination of completeness shall not constitute a determination of compliance with the substantive requirements of the TIF Commission statute, procedures or regulations.

- A. An Applicant may modify an Application, without the approval of the Director, following a determination of completeness, but prior to the date, established by the public hearing notice, for public inspection; provided, however; such modified Application may be considered by the TIF Commission at the public hearing scheduled for that Application, but its approval shall be subject to the provisions of Section 3.B of this Policy.
 - B. Following the date established by the hearing notice for public inspection of an Application, modification of the Application:
 - i. Shall be subject to the provisions of Section 99.825(1) RSMo requiring seven days' notice of such changes to taxing jurisdictions;

 - iii. May require a continuance of the hearing to meet the notice provisions of 99.825(1) RSMo, which shall be indicated through a TIF Commission resolution directing that notice be given to the affected taxing districts and identifying those sections of the proposed redevelopment plan that have been modified or amended.
