Dear Potential Sponsor,

The **2025 CDFA National Development Finance Summit** will take place on October 8-10 in San Juan, Puerto Rico, the perfect place to have an immersive experience in which you're surrounded by inspiration and leave feeling energized to implement all the new things you learned.

This highly anticipated event is designed for both public and private sector participants from across the country. It's where the top industry leaders, innovators, and community leaders come together and drive critical discussions, create unique opportunities for connections, and disseminate knowledge. Programming will cover a wide range of topics including bonds, tax credits, revolving loan funds, the State Small Business Credit Initiative, access to capital, tax increment finance, federal financing options, and more.

The success of this landmark event hinges on the generous support of our sponsors. Our National Summit Sponsors are more than just contributors; they are engaged partners that play a significant role in empowering CDFA to enhance expertise, foster connections, and drive innovation in development finance.

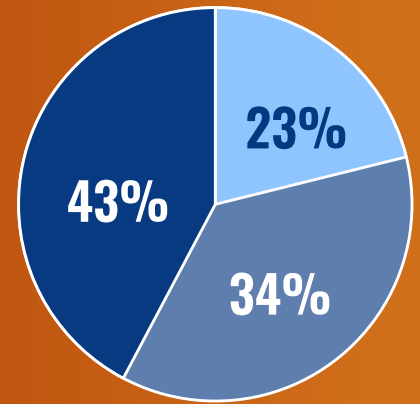

CDFA is proud to present the following array of unique, creative, and targeted sponsorship opportunities. We invite you to become a sponsor and join us on this remarkable journey.
